

## ACTI Newsletter (March 2022)

### Market Trends

Adapting to the new normal, toy manufacturers have swiftly paved their ways to bring products to the market with new toy fair Everywhere Toy Buying Events took place in US. The 34th Shenzhen International Toy & Education Fair will be held in May 2022 whereby a new series of Kurhn Chinese Doll will make its debut. The supply disruption from the Covid pandemic has resulted a drop in UK's toy sales.
